11th FESAT Newsletter December 2007

Changes in the Organisation of FESAT

As announced by the president Hans Volker Happel during the Associated Services Meeting held as part of the Conference in Lisbon on 1st October the Board and work structure of FESAT is going through a reorganisation period. During the November 2007 Board Meeting in Brussels three of the Board Members that have been holding different positions for several years withdrew from the Board or choose a less demanding position and in the same time a new Board was elected:

Hans Volker Happel – left his position as President of FESAT but continues to be a member of the future Board.

Bjorn Hibell – left his position as Vice-President and also the Board

Annemarie Kok – left her position as Secretary and also the Board.

New Board – from 1st January 2008

President	Patricia Pissarra, IDT, Portugal
Vice-President	Tom Evenepoel, Druglijn, Belgium
Secretary	Daan van der Gouwe, Drugs Infolijn, Netherlands
Board Members:	Hans Volker Happel, Germany
	Aileen Dooley, Drugs HIV Helpline, Dublin, Ireland
	Sturla Johansen, RUStelefonen, Norway

Permanent Office and FESAT Manager

As many of you know, the FESAT permanent office closed in January 2004 due to lack of funding. From that date Mariana Musat, the FESAT Manager, continued to take care of the administration of the organisation, publications, website and of the logistics of all events on a voluntary basis. Giving her demanding professional life she will end her volunteer engagement for FESAT at the end of December 2007 and all the tasks will be shared among the Board Members.

The new Board expresses its grateful thanks to the old Board and special appreciation to the FESAT Manager for their long and dedicated volunteer engagement, which ensured the continuation of the good work during a difficult period.

Our warm and friendly farewell to Bjorn Hibell, Annemarie Kok and Mariana Musat !

Next FESAT Conference

RUStelefonen, the national drug helpline in Norway, will host the next FESAT conference in Oslo – date to be confirmed

Your suggestions and propositions for active involvement and support are welcome !

Responsibilities distribution within the new Board

From 1st January 2008 FESAT will function only through the Board with no virtual permanent office and no telephone number. Please do not use the old office telephone or fax number anymore.

The postal address is the same. The email address is unchanged and remains the main way of contacting FESAT fesat@skynet.be

The Monitoring Report of FESAT initiated, set up and run until now by Bjorn Hibell and the tasks previously handled by the Manager, Mariana Musat will be shared among the Board members. For all of them use FESAT email address that is daily checked by all Board Members and if necessary their phone numbers.
